ALL ABOUT THE HISTORY OF THE UNITED STATES

Merriam-Webster's Dictionary and Thesaurus

And now, all you need to do is
write a paragraph about the
history of the United States.
You can use the information
you learned in class to help
you write. Remember to use
the facts you learned and
the words you learned. And
don't forget to use the
information you learned to
help you write. Remember to
use the facts you learned and
the words you learned. And
don't forget to use the
information you learned to
help you write.
