Passes

A large digital display, possibly a projector screen or a large monitor, showing a video. The video features a woman with short blonde hair, wearing a dark suit jacket and a light blue tie, sitting at a desk and reading a white document. The video player interface includes a progress bar, play/pause, stop, and volume controls. The operating system taskbar at the bottom shows the 'start' button and several open applications, including 'English - Book Report...', 'Document1 - Pdf...', and 'name2 CPU (2.1)'. The background of the room includes a decorative border with film strips and the letters 'S', '!', and a star.
