The Amazing Race 'Round the World

5th grade Edition

Dear Parents,

On June 8th, we will be celebrating the success of our 5th graders on their completion of elementary school by having an Amazing Race 'Round the World. It will be an all-day event and will require several volunteers.

We are in need of twelve parents who have already completed, or are willing to complete, their background checks to run the race with the kids. But, we also could use parents who will set up lunch, set up games, or tear down games; so, if you can only come for part of the day, we want you too.

In addition, we are looking for a few supplies. We are in need of 12 Mexican piñatas, and 2 copies of Mario and Sonic at the London Olympic Games for the Wii, and of course FOOD! Each class will bring in a different country's food. Ms. Allen's class will do Italian, Ms. Griffis's will provide American, and Mr. Whitehead's will cater Mexican! Watch for another note coming home soon.

One more thing, Michelle Fischer and Rachel Lenahan have volunteered to organize a video presentation for the kids and of the kids. We will need pictures of your 5th graders, **especially** if you are in Ms Allen or Mr Whitehead's class. Please send the pictures to Michelle.Fischer@eu.dodea.edu as soon as possible.

Thank you for all your help! We are really looking forward to this day of fun.

If you are able to help, please email Debbie Sheldon at mom44kids@gmail.com or send in a note via your child's teacher.
